HOWDY FOLKS!!!! ARE YOU READY FOR MY FAVORITE SEASON OF ALL!?!? Oh geez, sorry, let's take it down a notch....I'm still all jacked up about Canada winning GOLD!!! Did you see it?!?! Amazing!! So proud to be a Canadian!! What a game!

Now that we've settled down a bit, let's talk cows....I mean bulls.....bulls, bulls, and more bulls! My favorite season has arrived... bull sale season! No matter how many sales I've sat through over the years, whether in person, or online, you just can't beat the excitement in the air watching each and every bull pass through the ring....just knowing the work and dedication it takes to get to that one special day...still gives me chills.....Many miles are made goin' up and down the road, sourcing your next herdsire....here's to good roads, sunshine, and barn burnin' averages...I hope you get the one you wanted!

I'd like to take a moment to send our sincere condolences to the Nolan family on the passing of Carla. Carla and her husband Ron were the proud owners of Bar 5 Simmentals for many years. Our thoughts are with Ron and the rest of the Nolan family.

Some of our friends did some celebrating in February, happy 40<sup>th</sup> birthday goes out to Brad Smith, KSL Simmentals, Beaverlodge, AB. We hear you had a LOT of anonymous texts and phone calls, what a popular guy!

Well, I'm almost out of breath...until next time friends....best of luck in the sale barn...whether your buyin' or sellin'...See you in the lunch line...*Joanne*

(continued on page 20)

## Jackson Receives King Charles Coronation Medal

Fawn Jackson was awarded the King Charles Coronation Medal earlier in February.

The Coronation Medal commemorates the Coronation of His Majesty King Charles III as King of Canada. The medal is administered by the Chancellery of Honours at Rideau Hall. Eligible candidates must have made a significant contribution to Canada or to a particular province, territory, region or community of Canada, or have made an outstanding achievement abroad that brings credit to Canada.

“I’m incredibly humbled to have been awarded the King Charles Coronation Medal for work in supporting youth in agriculture. It’s a privilege to contribute to the next generation of leaders in this field.”

Fawn grew up in the small community of Inglis, MB. She is one of 5 daughters to Carmen & Donna Jackson who own & operate High Bluff Stock Farm. She now resides in Ottawa, ON with her husband Jared and son Digby.

“Throughout my career, I’ve been so proud to support youth through initiatives such as mentorship programs, youth councils and 4-H. You’ll always hear me asking, Where’s the next generation? and Can we have them at the table? It’s essential to ensure young voices are part of the conversation as we shape the future of agriculture. I thank each and every person who did that for me when I was young. Agriculture and youth are so close to my heart, and it’s such a joy to be part of this journey. Here’s to the future of Canadian agriculture, and to the incredible young people who are shaping it!”

**Friends, if you would like to continue receiving Simmental Focus and your mailing address has changed or been updated, e.g. new postal code, or box or site # added, please send us the updated address. CANADA POST WILL NOT DELIVER IT WITHOUT THE CORRECT ADDRESS AND YOU WILL BE REMOVED FROM OUR MAILING LIST!! Please take a moment to check the mailing label on your copy and email us at [simmental.focus@gmail.com](mailto:simmental.focus@gmail.com) to have your address corrected. Please help us continue to send your free copy of Simmental Focus. Thank you!**

# PRESENTING THE 2024 SCHOLARSHIP RECIPIENTS

## Carmen White

### *Friends of Canadian Simmental Foundation Scholarship*

"My name is Carmen White, and I am currently in my senior year at the University of Guelph, finishing off my degree in Food and Agricultural Resource Economics with a minor in marketing. I am excited to pursue a career in the agriculture industry following graduation. I grew up on a cow calf operation in Claresholm, Alberta, where my passion for cattle was fostered. I was extensively involved in the 4-H program and exhibited Simmental cattle. This year I am serving as secretary on the Alberta Simmental Board, where I will help plan meaningful events for the juniors. I'd like to congratulate the other recipients and thank FCSF for their support of further education for youth in agriculture."

## Elle Groeneveld

### *Friends of Canadian Simmental Foundation Scholarship*

My name is Elle Groeneveld and I grew up on a ranch near Balzac, Alberta. I have been raising, showing, and selling purebred and commercial Simmental cattle since I was 10 years old. I have also been a part of the Balzac Beef Club for the past 10 years and was on the Alberta YCSA board as secretary. Currently, I am a first year science student at the University of British Columbia at the Vancouver campus. I am very thankful for my cattle background as it has taught me work ethic, perseverance and what it takes to be successful. I use these skills everyday in school and life, and I am excited to see where UBC science takes me.

## Trinity Martin

### *Friends of Canadian Simmental Foundation Scholarship*

I grew up just outside of Stettler on my family's farm, where we run a small herd of Simmental and Simmental-influenced cattle. I've always enjoyed attending both the fall and summer shows and am currently working on building my own purebred Simmental herd at age 21. Now living just outside of Rimbey, I spend most of my time outside of school showing cattle or attending breed events with my boyfriend. I'm currently in my second year of the Bachelor of Education program at Red Deer Polytechnic, and although I miss being on the farm, the experience has been incredibly rewarding. I am excited to complete this journey and continue to give back to the simmental community. I'm honored to have been awarded this scholarship. Thank you to the FCSF for your confidence and support.

THE FRIENDS OF CANADIAN SIMMENTAL FOUNDATION  
 PROVIDES FIVE SCHOLARSHIPS WITH A COMBINED VALUE OF \$15,000 EACH YEAR TO  
 DRIVEN, CATTLE-MINDED STUDENTS PURSUING POST-SECONDARY EDUCATION!

## Lily Braind

### *Friends of Canadian Simmental Foundation Scholarship*

My name is Lily Braind and I am in my 4th year of Child Studies at the University of Guelph. I grew up on a beef, sheep, and crop farm in Baillieboro, Ontario. I was extremely fortunate to not only be able to show Simmental cattle growing up, but also to be a part of the Ontario Youth Simmental Association! I even had the chance to be the East Central Ontario Simmental Association Ambassador! I am extremely passionate about promoting the Simmental breed and I am very appreciative towards the Friends of Canadian Simmental Foundation for supporting this generous award. This scholarship allows me more time to focus on my organization, Lily's Lovely Friends, where I work closely with a group of individuals with developmental disabilities, and to focus my time on my 4th year practicum at The Hospital for Sick Children in Toronto. Furthermore, my work with children allows me to educate the younger generation about the importance of agriculture in contemporary society. This year I am the Kids Carnival Director at the University of Guelph's College Royal and I am excited to create an enriching agricultural learning experience for young children. Again, I would like to reiterate how appreciative I am towards the Friends of Canadian Simmental Foundation for funding this award!

## Megan Sprouse

### *Trevor Vance Memorial First Year Scholarship*

My name is Megan Sprouse, and I am in my first year of Civil Engineering at Carleton University. I'm from Janetville Ontario where my family owns and operates Broadview Acres. Our farm consists of Simmental and Simmental Cross cattle and a flock of Rideau ewes. My passion for agriculture has led me to become involved in many roles such as the Ontario Director/Secretary of the YCSA, Vice President of the OYCSA, and a youth leader for my local 4-H beef club. The agriculture industry has gifted me with many opportunities, and I can not wait to give back to it through my career and volunteer work.

## 2025 APPLICATIONS

The Friends of Canadian Simmental Foundation Scholarship & Trevor Vance Memorial First Year Scholarship are open to all youth involved in the beef cattle industry who are:

1. *Attending a post-secondary institution in the application year*
2. *Pursuing post-secondary education and recognized scholastic achievement.*

Applicants must be Canadian citizens. You may only apply for scholarships not previously awarded from the Foundation and a maximum of 2 FCSF scholarships/bursaries in your lifetime. Previous applicants not chosen as recipients may re-apply.

**APPLICATION DEADLINE: SEPTEMBER 30, 2025**
